© 2018 THE RAILROAD ENTHUSIASTS, NEW YORK DIVISION, INCORPORATED

The next membership meeting will be on November 23 at 7:30 PM at the Williamson Library at Grand Central Terminal. Meet at the entrance to Track 23 on the upper level at 7:00 or 7:15 PM to be escorted to the library, which is in a secured area. Late arrivals should phone the library at (516) 660-1972. A \$5.00 admission fee is charged for non-members. In the event of serious inclement weather, check the website www.nyrre.org or call (516) 660-1972 for cancellation information. Due to security considerations, we have to compile an attendance list for Metro North.

The program will be on the Central Line of the London Underground (known officially as the London Transport Board.) Note: What Americans call a subway is called the Underground or the Tube in London. *Subway* across the pond means an underpass. The DVD will consist of the History of the Central Line from the LU's earlier days in the 1860s to the early 21st Century. They actually used steam engines in the early days. Time permitting, a North Wales DVD will be shown, covering the wild beauty of that region and some of the narrow-gauge operations.
